# 1 INTRODUCTION

Geelong Regional Library Corporation (GRLC) was created in March 1997 in accordance with sections 196 and 197 of the *Local Government Act 1989*, as amended by the *Local Government Act 2020* s330. The Corporation provides library services to all residents of the Borough of Queenscliffe, City of Greater Geelong, Golden Plains Shire, Surf Coast Shire and, from 1 July 2021, Colac Otway Shire. The expanded network covers an area of almost 9,000 square kilometres, with 19 libraries located at Apollo Bay, Bannockburn, Barwon Heads, Belmont, Chilwell, Colac, Corio, Drysdale, Geelong, Geelong West, Highton, Lara, Leopold, Newcomb, Ocean Grove, Queenscliff, Torquay, Waurn Ponds and Western Heights College. There are three mobile libraries, a Home Library Service and an inter library loans service.

GRLC's annual recurrent income is comprised as follows:

RECURRENT INCOME	ACTUAL 2019-20 \$	BUDGET 2020-21 \$	BUDGET 2021-22 \$	2020-21 to 2021-22 \$ Increase/ (Decrease)	2020-21 to 2021-22 % Increase/ -Decrease	% of 2021-22 Income	Comments
<b>Member Council Contributions</b>	14,830,153	12,407,670	13,475,185	1,067,515	8.6%	81.4%	Increase is 1.9% excluding Colac Otway Shire.
<b>State Government Grants - Public Libraries Funding Program</b>	2,011,124	2,061,402	2,296,932	235,530	11.4%	13.9%	Public Libraries Funding Program based on 1.5% increase on actual 2020-21 funding. The increase includes an additional \$204.6k for Colac Otway Shire.
<b>State Government Grants</b>	55,360	-	-	-	0.0%	0.0%	Expenditure of Funding from the 'Victoria Remembers Them' Major Grant Program.
<b>Fees &amp; Charges</b>	420,539	444,848	355,337	(89,511)	-20.1%	2.0%	Major Budget decrease from on-going impact of COVID-19.

<b>TOTAL RECURRENT INCOME</b>	<b>17,515,233</b>	<b>15,323,020</b>	<b>16,559,454</b>	<b>1,236,434</b>	<b>8.1%</b>	<b>100.00%</b>	<b>Excluding Colac Otway Shire, the increase is 1.3%</b>

The Library Service is funded by Member Councils, the State Government and its own operations on the following basis:

- Member Council contributions: 81.4% (2020-21: 81.0%)
- State Government Grants – Public Libraries Funding Program: 13.9% (2020-21: 13.5%)
- Fees & Charges: 2.0% (2020-21: 2.8%)
- Interest & Sundry Income: 2.7% (2020-21: 2.7%)

The Library Service is mindful of the cost pressures on Member Councils, in light of the rate cap this coming financial year of 1.5% and the on-going impact of COVID-19 on normal business activities, and is continually reassessing processes to ensure that value is being achieved, in particular for procurement of library materials, equipment and services.

Library services continue to be one of the most popular and valued of all Council services. Although the COVID -19 pandemic necessitated the closure of libraries for a significant time in 2020 and affected ‘in person’ participation, the library service continued to attract high levels of engagement. In particular, digital services experienced a huge increase in engagement levels. GRLC’s 2019-20 Annual Report demonstrated the following:

- 40.5% or 129,000 people are library members from a total population of 319,000 across the four Member Councils at 30 June 2020 (Colac Otway membership will be reflected in 2021-22 statistical reporting);
- There were 1.4 million visits to 17 library branches and 2 mobile libraries and 806,000 website visits;
- 2.1 million loans of collection items;
- 536,000 accesses of online databases, digital collections and streaming platforms;
- 312,000 eBook and eMagazine loans;
- Programs and events attracted 113,000 participants across children’s, youth and adult programs; and
- An extensive reach into the community with 225 networks and partnerships.

## 2 LINK TO THE LIBRARY PLAN

---

### 2.1 Library Plan 2021-2025

At the time of preparing this Budget, the Library Plan 2021-2025 is under development and will be adopted on 31 October 2021.

### 2.2 Planning and Accountability Framework

#### BUDGET PROCESSES

The preparation of the Budget begins with library officers preparing the Annual Budget in accordance with the Act and submitting the Draft Budget to the Board for approval in principle.

GRLC is then required to give public notice that it intends to adopt the Budget. It must give at least 28 days' notice of its intention to adopt the proposed Budget and make the Budget available for inspection at its Offices. A person has a right to make a submission on any proposal contained in the Budget and any submission must be considered before adoption of the Budget by the Board.

The final step is for the Board to adopt the Budget after receiving and considering any submission from interested parties.

The Budget is required to be adopted by 30 June and a copy submitted to the Minister for Local Government within 28 days of adoption each year. The key dates for the budget process are summarised below:

1	Preliminary Budget presentation at Board planning day and further meeting	16 December 2020 and 18 February 2021
2	Proposed Budget submitted to the Board for approval	22 April 2021
3	Public notice advising intention to adopt Budget	23 April 2021
4	Budget available for public inspection and comment for at least 28 days	23 April 2021 – 21 May 2021
5	Meeting to consider public submissions	27 May 2021
6	Budget and submissions presented to the Board for adoption (subject to final adopted Budgets of Member Councils)	17 June 2021
7	Copy of Adopted Budget submitted to the Minister for Local Government within 28 days of adoption	14 July 2021

## LEGISLATIVE REQUIREMENTS

Under the *Local Government Act 2020*, GRLC is required to prepare and adopt an Annual Budget for each financial year. The Budget is required to disclose the fees and charges that GRLC intends to levy as well as a range of other information required by the *Local Government (Planning and Reporting) Regulations 2020* which support the Act. The 2021-22 Budget, which is included in this report, is for the year 1 July 2021 to 30 June 2022 and is prepared in accordance with the Act and Regulations.

This Budget incorporates the Strategic Resource Plan (SRP) for the 3 years to 2024-25. The SRP takes the strategic objectives and strategies as specified in the Library Plan and expresses them in financial terms.

In preparing the SRP, the GRLC has complied with the following principles of sound financial management as contained in the Act:

- Prudently manage financial risks relating to debt, assets and liabilities;
- Consider the financial effects of the library service's decisions on future generations; and,
- Provide full, accurate and timely disclosure of financial information.

### 2.3 Budget Influences

In preparing the Budget a number of overarching budget principles are followed and budget assumptions are made about the internal and external environment within which the library service operates. Known factors and influences which are likely to impact significantly on the services delivered in the budget period are also taken into consideration. These include:

- The significant, on-going and uncertain impact of COVID-19 on library services. At the time of budgeting, the library network is open and has strict social distancing measures. A significant decline in branch income is anticipated.
- The Victorian State Government rate cap of 1.5% for the 2021-22 financial year (2.0% in 2020-21) is impacting significantly on the level of Member Council contributions possible; and
- Funding from the State Government public library recurrent grant has increased less than 3% per year over the last five financial years. This funding has not kept pace with GRLC's expanding network and the 26.7% increase in employee costs over that time.

### 2.4 Budget Principles

The 2021-22 Budget intends to achieve a recurrent surplus (prior to depreciation) that is sufficient to meet capital expenditure requirements. A decrease in overall cash is acceptable when a temporary expenditure increase is approved by the GRLC Board for special projects.

The following principles are incorporated in the 2021-22 Budget:

#### SERVICE LEVELS

- Library services – 862 hours per week, Geelong Library & Heritage Centre, 18 branches, 3 mobile services, Home Library Service, inter-library loans service, events and lifelong learning programs; and,
- Heritage services – 38 hours per week.

## BUDGET PARAMETERS

- Achieving a recurrent surplus (prior to depreciation) that is sufficient to meet capital expenditure requirements;
- Maintaining an acceptable level of cash reserves at the end of each year to cover anticipated long service leave commitments and asset renewal;
- Expenditure Budget has been thoroughly reviewed and is considered realistic and achievable;
- Maintain a capital expenditure program on the library collection and technology;
- Consultation with the Board to ensure that income budgets are realistic and continue the achievement of the Library Plan; and,
- Regional costs across the network which are provided from GRLC's administration unit are distributed to Member Councils in accordance with the cost allocation formula detailed in the Library Agreement between the five Member Councils.

## 2.5 Budget and Strategic Resource Plan Assumptions

### INCOME

- Member Council contributions for 2021-22 reflect an overall increase of 1.9%;
- State Government Grants - Public Libraries Funding Program grants to Member Councils are estimated to grow by 1.5% overall. The Department of Jobs, Precincts and Regions will confirm these grants in mid-2021;
- Interest income is estimated at \$12,600. This is a significant decrease compared to prior Budgets and is due to the continuing reduction in interest rates;
- An income stream in the form of donations is anticipated at \$30,000;
- User Fees & Charges – Venue Hire income target of \$132,000, increasing by \$10,000 per year;
- Sundry Income – An increase in grants and other fundraising activities is expected; and
- The 2019-20 confirmed level of capital grants for collections of \$59,377 is assumed to continue in each year of this SRP, with a further \$7,000 for Colac Otway Shire. If these grants do not continue, the capital expenditure on collections will be adjusted accordingly.

### SALARIES

At the time of preparation of the Draft Budget the Enterprise Agreement (EA) has not been negotiated and the quantum of any increases are unknown. An assumed annual EA increase is included in the salary budget.

Also included in salaries are banding increments, superannuation at an increased rate of 10%, Fringe Benefits Tax and WorkCover Insurance premium at the current rate of 0.41%.

The overall result is an increase in salary costs for the existing network of 2.9% when compared to the 2020-21 Budget.

### OTHER EXPENDITURE

- Specific expenditure line items relating to existing contracts such as courier services and communications agreements are based on known costs.
- Depreciation costs are estimated to remain steady, as discussed in sections 4.1.7 'Depreciation' and 4.5 'Financial Resources'.

## BALANCE SHEET

The 2021-22 budgeted balance sheet is based on the most recently completed financial year (2019-20). This will enable the budgeted balance sheet to more closely reflect the expected actual balance sheet as at 30 June 2022.

The calculation is as follows:

### **Actual 2019-20 Balance Sheet**

- + Budgeted 2020-21 Income Statement & Capital Expenditure
- + Budgeted 2021-22 Income Statement & Capital Expenditure
- = **Budgeted 2021-22 Balance Sheet**

The result is a decreasing net asset value over the four years of the SRP. This is due to the depreciation expense (\$2.5m-\$2.6m p.a.) exceeding capital expenditure (\$1.7m-\$2.2m p.a.).

## CAPITAL EXPENDITURE

- The Library Board has approved an additional IT expenditure of \$500,000 to upgrade the Library Management System;
- New asset expenditure of \$105,000 for collections and IT for the Colac Otway Shire branches;
- All other capital expenditure will be maintained at similar levels as 2021-22 across the four years of the SRP;
- The Library Plan includes the development of a collection investment plan and a digital services strategy that will provide recommendations for future levels of investment commitment; and,
- Estimates of the replacement cost of one vehicle per year.

# 3 FINANCIAL STATEMENTS

## 4.1.2 MEMBER COUNCIL CONTRIBUTIONS

According to the Library Agreement between the five Member Councils, the direct costs of each service point and mobile service are borne by the Member Councils in whose municipal district the service is delivered. Indirect costs – i.e. regional costs – are apportioned on a usage basis by calculating the total of loans and visits to each point of service and mobile libraries.

### 4.1.3 STATE GOVERNMENT GRANTS

State Government grants are received from two funding programs:

- Public Libraries Funding Program – Grants to Member Councils are forecast to grow by 1.5%, based on the declared rate cap. The Department of Jobs, Precincts and Regions will confirm these grants in June 2021; and,
- Premier’s Reading Challenge Book Fund – This funding will increase with Colac Otway Shire joining the GRLC network. The funding per municipality is expected to remain unchanged throughout the SRP.

#### 4.1.5 EMPLOYEE EXPENSES

Employee costs comprise 70% of total cash expenditure (operating and capital) for 2021-22. This is a small decrease from 71% in prior year Budget.

Employee costs include all labour related expenditure such as salary and wages, and on-costs such as allowances, leave entitlements, employer superannuation, WorkCover insurance and Fringe Benefits Tax. Long service and annual leave are statutory requirements and provisions for the payments of these items are included in the Budget. Salaries and wages are reflective of salary banding increments. Employer superannuation includes the increase in the statutory Superannuation Guarantee Charge from 9.5% to 10% from 1 July 2021.

The salaries of employees working in branches and mobile libraries are allocated directly to the respective Member Council as per the Library Agreement. The cost of Regional support staff is apportioned on the basis of usage by calculating the total of loans and visits to each point of service.

For the existing network, employee expenses are expected to increase 2.9% in 2021-22, this increases to 8.7% with Colac Otway Shire joining the network. Refer to 'Salaries' in Section 2.5 'Budget and Strategic Resource Plan Assumptions' for further discussion.

A summary of employee expenditure and the number of equivalent full time (EFT) staff relating to the provision of library services is included below:

## 4.1.6 OTHER EXPENDITURE

### Contract Payments

This expenditure category relates to external businesses and contractors engaged for a range of services including shelf-ready processing of collection items, couriers, Regional Library Support Centre Level 4 GLHC office lease and security services. Increases only where contractually required.

### Maintenance and General Maintenance

This expenditure includes minor plant, furniture and equipment, and the running costs of GRLC vehicles and mobile libraries.

### Utilities

Utilities largely reflect branch communications costs as indicated by Telstra for 2021-22 and contract with AARNET for internet communications at the Geelong Library and Heritage Centre.

### Office Administration

This category of expenditure includes eCollection subscriptions, health and safety items, printing, office stationery, photocopier/printer costs, minor IT upgrades, staff training and development, bank fees, corporate advertising and marketing, recruitment advertising, events and programming costs.

### Information Technology

IT comprises computer support, and minor hardware and software.

### Insurance

GRLC incurs a direct expense for Directors and Officers Liability insurance and Commercial Crime insurance. Other insurance coverages are included in policies held and paid by City of Greater Geelong: Public and Products Liability, Professional Indemnity, contents and coverage of lending materials and heritage items.

### Consultants

This category also includes legal expenses.

## 4.1.7 DEPRECIATION

Depreciation is the decrease in value of the current library collection and equipment due to usage. GRLC's capital expenditure seeks to replenish the collection as obsolete items are withdrawn, in order to maintain a high quality collection which meets the needs of the communities we serve.

The depreciation expense has increased significantly over the last ten years due to the expansion of the library network, and subsequent increase in the size of the library collection and equipment.

For 2021-22, the depreciation expense is budgeted to be slightly higher than the actual expense for the 2019-20 financial year. This is based on the overall capital expenditure not fully replacing the current collection and the addition of Colac Otway Shire branches to the library network.

## 4.2 Balance Sheet

The following table represents a summary of the Library's assets, liabilities and equity:

BUDGETED BALANCE SHEET	ACTUAL 2019-20 \$	BUDGET 2020-21 \$	BUDGET 2021-22 \$
<b>Assets and Liabilities</b>			
Total Assets	15,637,497	11,323,284	10,850,541
Total Liabilities	2,234,720	2,297,511	2,234,720
<b>NET ASSETS</b>	<b>13,402,777</b>	<b>9,025,773</b>	<b>8,615,821</b>
<b>EQUITY</b>	<b>13,402,777</b>	<b>9,025,773</b>	<b>8,615,821</b>

The Library's major assets comprise its bank balance, the collection, vehicles, furniture and office equipment. GRLC does not own any land or buildings. The major liability is employee provisions. Equity consists of member contributions and the accumulated accounting surplus.

### 4.2.1 BORROWINGS

GRLC had no borrowings during the financial year 2020-21 and will not be taking out any borrowings for the 2021-22 year.

### 4.2.2 PROPERTY, PLANT AND EQUIPMENT

The value of the collection is expected to decline where Member Council contributions are restricted by the Victorian Councils' rate cap and are therefore not sufficient to cover the depreciation expense or increase capital expenditure.

The investment gap ratio in section 5 'Financial Indicators' highlights the decrease in the size of the collection. In 2021-22, there will be 73 cents of new expenditure to replace every \$1.00 of withdrawn or written down items. New expenditure on IT infrastructure, furniture, fittings and equipment expenditure will be \$1.24 for every \$1.00 of written down value. This is significantly influenced by the budgeted \$500,000 investment in the Library Management System. For the remainder of the SRP, investment will decrease to 59 cents for every \$1.00 written down.

### 4.3 Cash

The following table represents a summary of the Standard Cash Flow Statement and indicates the cash results from the operating, investing and financing activities for the 2021-22 financial year.

CASH FLOWS	ACTUAL 2019-20 \$	BUDGET 2020-21 \$	BUDGET 2021-22 \$

<b>CASH AT END OF FINANCIAL YEAR <sup>3</sup></b>	<b>4,440,182</b>	<b>1,509,503</b>	<b>1,084,182</b>

<sup>1</sup> The 2019-209 Annual Report excludes Term Deposits from the Cash Flow Statement. Cash Flows from Investing Activities has been adjusted to include Term Deposits in the cash balance.

<sup>2</sup> 2019-20 includes the opening balance of Term Deposits of \$1,004,759.

<sup>3</sup> 2019-20 includes the closing balance of Term Deposits of \$3,500,849.

### CASH AT END OF THE YEAR

Overall, total cash is forecast to be \$1.1m at 30 June 2022, being a decrease of \$492,703 over the 12 month period. The cash balance on 1 July 2021 is budgeted to be \$1.6m.

GRLC's cash surplus provided by operating activities is budgeted to increase to \$1,685,893. The surplus indicates a healthy financial position regarding day-to-day activities. Cash reserves are not impacted by the depreciation expense and subsequent budgeted deficit. Please refer to the Statement of Cash Flows in section 3.

It is also noted that the budgeted cash balance is sufficient to cover the budgeted current employee entitlements expected to be settled within 12 months of \$821,000. The total budgeted current employee entitlements is \$1.7m.

## 4.4 Capital Expenditure

Capital expenditure over the 4 year period (2021-22 to 2024-25) will total \$7.3m, at \$1.7m - \$2.2m per year.

The following table outlines the capital expenditure budget for 2021-22 and associated sources of funding.

CAPITAL EXPENDITURE	ACTUAL 2019-20 \$	BUDGET 2020-21 \$	BUDGET 2021-22 \$	2020-21 to 2021-22 \$ Increase/ (Decrease)	2020-21 to 2021-22 % Increase/ -Decrease

## 4.5 Financial Resources

The following table summarises the key financial results for the Budget years 2020-21 and 2021-22, and the next 3 years as set out in the Strategic Resource Plan for 2022-23 to 2024-25.

KEY FINANCIAL RESULTS	BUDGET 2020-21 \$	BUDGET 2021-22 \$	PLAN 2022-23 \$	PLAN 2023-24 \$	PLAN 2024-25 \$
Operating Result - Surplus/(Deficit)	1,913,350	(946,754)	(1,052,921)	(1,058,087)	(800,912)
Cash And Investments	1,509,503	1,084,182	985,311	881,275	1,034,413
Net Increase/(Decrease) In Cash	2,441,346	(492,703)	(98,871)	(104,036)	153,138
Capital Expenditure	1,586,095	2,191,095	1,691,095	1,691,095	1,691,095

The key outcomes of the Plan are as follows:

- Financial sustainability

While the operating result is a deficit from 2021-22 onwards, it is noted that this is related to the cost of depreciation, due to new and refurbished library branches.

Given the current rate capping environment, Member Council contributions are not sufficient to cover the depreciation expense and achieve a net surplus/deficit of zero. The increase in the size of the branch network and collection since 2011 (refer to section 4.1.7 'Depreciation') requires a subsequent increase in capital expenditure to maintain the collection. This has not been achieved in the Strategic Resource Plan ending 30 June 2025.

The capital expenditure budget will be closely monitored in future years in order to ensure that cash reserves remain at an acceptable level;

- Cash and investments

The cash balance is expected to have an overall small decrease across the SRP.

As noted in section 4.3 'Cash at End of the Year', the steady increase in net cash from operating activities demonstrates a consistently strong performance in day-to-day operations.

Surplus funds are invested in Term Deposits, which achieve an interest rate higher than the standard rate on the daily transaction account; and,

- Contributions strategy

Council contributions will be based on the Library Agreement formula which applies the direct costs of service points to the relevant Member Council and regional costs apportioned on a usage basis by calculating the total number of visits and loans per service point and mobile service.

## 5 FINANCIAL INDICATORS

The following table outlines a summary of budgeted financial ratios for the years 2021-22 to 2024-25. These ratios are used as a guide to assess trends in GRLC's financial health. They show that the Library must carefully manage its resources with particular emphasis on cash flow and relies heavily on the continued support of Member Councils to meet the commitments incorporated in this Strategic Resource Plan.

FINANCIAL RATIOS	BUDGET 2021-22 \$	PLAN 2022-23 \$	PLAN 2023-24 \$	PLAN 2024-25 \$
<b>UNDERLYING RESULT (%)</b>  Recurrent Surplus-Deficit / Total Recurrent Income  Measures surplus/-deficit as a % of revenue.	<b>-6%</b>	<b>-6%</b>	<b>-6%</b>	<b>-5%</b>
<b>WORKING CAPITAL OR LIQUIDITY</b>  Current Assets / Current Liabilities  Assesses GRLC's ability to meet current commitments.	<b>0.72</b>	<b>0.67</b>	<b>0.62</b>	<b>0.69</b>
<b>ADJUSTED WORKING CAPITAL OR ADJUSTED LIQUIDITY</b>  Current Assets / Adjusted Current Liabilities  Where current liabilities are adjusted to reflect only the expected payments of LSL in the following year rather than the full value of the current entitlement.	<b>1.33</b>	<b>1.24</b>	<b>1.15</b>	<b>1.29</b>
<b>TOTAL INVESTMENT GAP RATIO</b>  Capital Expenditure / Collection Depreciation	<b>0.86</b>	<b>0.66</b>	<b>0.66</b>	<b>0.66</b>
<b>COLLECTION INVESTMENT GAP RATIO</b>	<b>0.73</b>	<b>0.73</b>	<b>0.73</b>	<b>0.73</b>
<b>IT, FURNITURE, FITTINGS &amp; EQUIPMENT INVESTMENT GAP RATIO</b>  Measuring GRLC's rate of replacement of assets.	<b>1.24</b>	<b>0.59</b>	<b>0.59</b>	<b>0.59</b>

At 30 June 2022, GRLC will have 72 cents of current assets for every \$1.00 of current liabilities. This increases to \$1.33 when adjusted for expected long service leave payments.

The investment gap ratio highlights that GRLC is investing only 73 cents on collection items to replace every \$1.00 of items written down or withdrawn. For IT, furniture and other equipment, the investment in 2021-2022 is \$1.24 for every \$1.00 of value written down or written off. Of this, 65 cents relates to the \$500,000 investment in the upgraded Library Management System. Excluding the LMS, the investment in IT, furniture and other equipment decreases to 59 cents in each year of the SRP.

## 6 FEES AND CHARGES SCHEDULE

User fees and charges are comprehensively reviewed and benchmarked with public libraries and other local businesses offering similar services. No changes are proposed for 2021-22, as GRLC recognises the need to support our community in recovering from the economic hardship of the pandemic.
